About the Department

The Department of Electronics and Communication Engineering was established in the year 1996. The Department offers B.E Degree programme in ECE and three PG programmes in M.E (VLSI Design), in M.E (Communication Systems) and in M.E (Embedded System Technologies). The Department of ECE has modern facility in both hardware and software in all the laboratories. The Department has the facility to provide the finishing school in CISCO Networking (CCNA), VLSI Design and Embedded Systems. Research work is being carried out in the areas of VLSI Design, DSP/ DIP, Adhoc and Wireless networks. The Department has secured several AICTE funded projects under the scheme of RPS and MODROBS. The Department is approved by Anna University as Nodal Centre for Research.

About the College

Easwari Engineering College, a Division of the prestigious SRM Group of Educational Institutions is affiliated to Anna University. The college is certified by ISO 9001:2008 (TUV) and has also been accredited by NBA, New Delhi. The college offers 7 UG

courses and 8 PG courses. The college has a strong Industry-Interaction with reputed National and International organizations like TEXAS INSTRUMENTS, ORACLE, TCS, INFOSYS, HP, WIPRO, CARITOR, L&T, HCL etc, for placements, expert lectures, projects and technical interaction.

About the Programme

With the rapid growth in the areas of wireless communication & antennas, basic knowledge and updation of the latest developments are most essential for Electronics and Communication Engineers. In order to ensure quality education in the above area, availability of trained resources is very critical. This programme will benefit the faculty handling the above subject in various Engineering Colleges. This programme aims to provide detailed knowledge on contents of the subject “EC 2353 - Antenna and Wave Propagation”, prescribed by Anna University, Chennai in VI semester of ECE curriculum.

Resource Persons

Eminent faculty members from various reputed Engineering Institutions and experts from industries.
