ABOUT THE COLLEGE

EASWARI ENGINEERING COLLEGE, a unit of SRM Group of Educational Institutions for higher learning is functioning under "Valliammai Society". The society was founded in the year 1975, for promoting the cause of Quality Education by Dr. T.R.Pachamuthu an academician and Educationist. EEC instituted in the academic year 1996-1997, with the Approval of AICTE, New Delhi. The Institution is affiliated to Anna University, since 2002. The courses have been accredited by NBA/AICTE and are periodically reviewed.

College offers seven Under-Graduate and eight Post-Graduate programmes covering Engineering & Technology, Computer Applications and Management. The Institution has a strong Industry-Interaction with reputed National and International organizations. The College has obtained ISO 9001:2008 Certification from TUV South Asia.

ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering, established in the year 1996 shares the mission and vision of the Institution in imparting high quality education to the students. The department has highly qualified, committed faculty members with rich academic experience. It offers B.E and M.E. degree programme in Computer Science and Engineering. The department has seven well equipped labs with adequate number of systems to support the advanced enhancements in software. The department is also recognized as a "**Nodal center for Research**" of Anna University, for collaborative research to pursue M.S(By Reasearch) and Ph.D programmes. Our Research works focus on Wireless Technologies, Pervasive and Cloud Computing, Data Warehousing and Mining, Image and Text processing, SOA, Secure Systems etc. During the year 2008, the department has secured AICTE funded project under the scheme of RPS.

OBJECTIVE OF THE CONFERENCE

The main theme of the conference is to bring together active and proficient members of the Information technology community, from both academic and industry to discuss recent advances, to highlight key-issues, identify trends and refresh vision in the broad and fast-evolving field of Computer Technologies.

CALL FOR PAPERS

Authors are invited to submit original research papers for presentation in the following topics, but are not limited to :

1. Robotics and Automation system
2. Intelligence and Control
3. Information and knowledge management
4. Image, Speech and Multimedia processing
5. Machine learning
6. Data mining and Warehousing
7. AI and Cognitive modeling
8. Grid, parallel and distributed computing
9. Wireless, Mobile networks and security
10. Soft computing
11. Cloud computing
12. Natural Language Processing

CHIEF PATRONS

1. Dr. T.R. Pachamuthu, Chairman
